On behalf of UBM Exhibitions Philippines Inc., the organizer of **Livestock Philippines 2019** and **Aquaculture Philippines 2019**, it is with great pleasure and honour, I take the privilege of welcoming you to the 5th edition of the Philippines' International Livestock Nutrition, Health & Production and Meat Industry Expo - **Livestock Philippines**.

Livestock Philippines 2019 will be staging again together with its co-located events; **Feeds Expo Philippines 2019**, **PhilMeat Expo and Forum 2019** and **Aquaculture Philippines 2019**. The collaboration of these four events is making the entire industry to share the trends, knowledge and solutions which created the whole "farm to fork" and "pond to plate" value chain.

Philippines has always been one of the fastest growing meat consuming countries in the world, and for that, the outlook for the Philippines' livestock sector is expected to show healthy growth rates. That is one of the reasons why **Livestock Philippines** keeps on growing and growing each year.

Livestock Philippines has been offering the local Philippine community a concentrated and industry-focused trade show since 2011 and continuously increasing its exhibitors and visitors each year. We are expecting 12,000 attendees and 280 exhibitors from 30 countries.

With that being said, we enthusiastically look forward to welcoming the exhibitors across the world who will showcase their latest innovations and technologies in the industry and visitors to witness the growth of the industry in the Philippines.

As our aim to continue to uplift the productivity of local market in the Philippine agriculture, we ensure that there would be a lot of opportunities, mutual benefits, knowledge sharing and business deals and partnerships throughout the exhibition.

I would also like to take this opportunity to thank all our supporting government agencies, associations and media partners as we would not make the 5th edition of **Livestock Philippines** a great success without your endorsement and support on us and on the industry.

”

I wish you all a very successful experience of networking and business opportunities that will be generated from taking part in these events.

“

Mr. M. Gandhi
President
UBM Exhibitions Philippines Inc.

More than 280 exhibitors participating

Local and international exhibitors that are into feeds, feed additives, animal health, farm & feed mill equipment like Vetproducts Philippines Corp., Neovia Philippines Inc., and Famsun, awaits you in **Livestock Philippines 2019**.

01

Pavilions from China, Korea, Taiwan and a lot more

Experts from these countries are ready to share their latest knowledge, technologies and innovations on how to improve Livestock production and increase your company's return on investment.

03

02

Over 30 participating countries

Livestock Philippines has always been a venue for livestock industry trade show where international companies are always present. Some of the countries participating are Belgium, Denmark, Germany, Italy, Singapore, Thailand, The Netherlands, Turkey, USA and many more.

04

Technical Seminars and Conferences
