# Livestock Philippines 2020, Feeds Expo Philippines 2020 and Aquaculture Philippines 2020

**POSTPONED**

TO

**26 » 28 MAY 2021**

June 18, 2020

Dear Partners and Stakeholders,

**D**ue to the recent and increasing travel restrictions impacting industry participation, Informa Markets in the Philippines, the organizer of **Livestock Philippines**, in coordination with the Department of Agriculture and its supporting agencies, has decided to postpone **Livestock Philippines 2020** with its co-located events: **Feeds Expo Philippines 2020** and **Aquaculture Philippines 2020**, originally scheduled for 28 - 30 May 2020, at the World Trade Center Metro Manila, Philippines to its new dates on **26 - 28 May 2021** at the same venue.

This decision was made following the Philippine Government declaration of State of National Emergency implementing stricter containment measures and other ongoing national and international advice and guidance in relation to COVID-19.

Please accept our sincere apologies for any inconvenience caused by this postponement. However, given current conditions, we believe that this is in the best interests of all stakeholders of our event. We will provide participants with additional information regarding the 2021 event shortly.

Considering the current situation, our team came up with an innovative and timely platform to provide excellent service to our clients, stakeholders, and participants. Livestock Philippines will be launching **E-Market Place**, which is a digital platform with online exhibition, online business matching and digital showroom. Our **3-day online exhibition** on **28 - 30 July 2020** provides the opportunities for our exhibitors and buyers to match & meet, network and share business ideas.

**Livestock Philippines E-Market Place** aims to bring together thousands of decision makers including integrators, farmers, feed millers, pre-mixers, meat processors, slaughterhouses, veterinarians, distributors, retailers and other industries from around the globe.

We are looking forward to having your participation at **E-Market Place**. Thank you for supporting Livestock Philippines and we greatly appreciate your patience and understanding.
