## Livestock Philippines 2020, Feeds Expo Philippines 2020 and Aquaculture Philippines Postponed

Dear Stakeholders,

Due to the recent and increasing travel restrictions impacting industry participation, Informa Markets in the Philippines, the organizer of Livestock Philippines 2020 in coordination with the Department of Agriculture and its supporting agencies has decided to postpone Livestock Philippines 2020, originally scheduled for 28 – 30 May 2020, in World Trade Center Metro Manila. The event is co-located with Feeds Expo Philippines 2020 and Aquaculture Philippines 2020.

This decision is made in light of President Rodrigo Duterte's decision to raise Code Red Sub-level 2 and to approve the imposition of [Stringent Social Distancing Measures](#) in the National Capital Region (NCR) for thirty (30) days, effective March 15, 2020, with the suspension of Land, domestic air and domestic sea travel to and from Metro Manila.

Please accept our apologies for any inconvenience caused this postponement. However, given current conditions, we believe this was in the best interests of all stakeholders of these shows. Our team is currently working with venues and stakeholders to find the next best dates and solutions for our events. We will provide participants with timely communication as soon as possible.

Informa Markets in Philippines continues to monitor the developing situation and remains in close communication with relevant local government bodies, the industry and other key stakeholders. Our goal is to provide an enhanced and safe trading experience.

We wish to thank you for supporting Livestock Philippines 2020 and greatly appreciate your patience and understanding.
